LETTER OF ACKNOWLEDGEMENT & APPRECIATION

To,
Solh Wellness Private Limited

Subject: Acknowledgement & Appreciation for Student Stress Detection & Wellbeing Launch Workshop & Stress Detection Kiosk Installation

This is to acknowledge and appreciate the efforts of Solh Wellness Private Limited for successfully conducting the Student Stress Detection & Wellbeing Launch Workshop at Gulzar Group of Institutes (GGI), Ludhiana, Punjab, on 12th August 2026. As part of this initiative, one (1) AI-powered Stress Detection Kiosk was installed at our institution.

The launch workshop was found to be informative, engaging, and beneficial for the participants. The program helped create awareness around student stress, emotional wellbeing, and the importance of early identification and timely support. The initiative also provided valuable insights into the Stress Detection & Wellbeing platform and the role of the installed kiosk in supporting student wellbeing.

We appreciate the contribution of the Solh Wellness team towards promoting student wellbeing and strengthening the culture of mental wellness at Gulzar Group of Institutes. We look forward to the positive impact of this initiative and wish the Solh Wellness team continued success in their future initiatives.
