Sarva Vidyalaya Kelavani Mandal, Kadi and Gandhinagar
Kadi Sarva Vishwavidyalaya University Campus, LDRP-ITR, Gandhinagar, Gujarat

LETTER OF ACKNOWLEDGEMENT & APPRECIATION

Date: 8/9/26

To,
Solh Wellness Private Limited

Subject: Acknowledgement & Appreciation for Student Stress Detection & Wellbeing Launch, Stress Detection Kiosk Installation & Faculty Orientation

This is to acknowledge and appreciate the efforts of Solh Wellness Private Limited for successfully conducting the Student Stress Detection & Wellbeing Launch Workshop at Kadi Sarva Vishwavidyalaya, Gujarat, on 21st and 22nd August 2026. As part of this initiative, five (5) AI-powered Stress Detection Kiosks were installed across our institutes, and Faculty Orientation sessions were conducted for the faculty members of our five institutes.

The launch workshop and orientation sessions were found to be informative, engaging, and beneficial for the participants. The program helped create awareness around student stress, emotional wellbeing, and the importance of early identification and timely support. The initiative also enabled our faculty and institutional teams to better understand the Stress Detection & Wellbeing platform and the role of the installed kiosks in supporting student wellbeing.

We appreciate the contribution of the Solh Wellness team towards strengthening the wellbeing ecosystem at Kadi Sarva Vishwavidyalaya and supporting our efforts towards promoting student mental wellness and early stress identification. We look forward to the positive impact of this initiative across our institutes and wish the Solh Wellness team continued success in their future initiatives.

For Kadi Sarva Vishwavidyalaya, Gujarat
