

PCI CERTIFICATE FOR SOLH WELLNESS PVT. LTD.

This certificate acknowledges that Solh Wellness Private Limited has implemented the necessary security measures to achieve compliance with the Payment Card Industry Data Security Standard (PCI DSS) requirements for handling cardholder data in conjunction with the integration of the Stripe SDK for payment processing.

Key Security Measures Implemented-

SSL/TLS Certificate: Installed and maintained an SSL/TLS certificate to enable secure HTTPS communication between clients and servers.

Stripe SDK Integration: Implemented the latest version of the Stripe SDK for secure payment processing, leveraging tokenization to avoid storing cardholder data on our servers.

PCI DSS Compliance Self-Assessment: Completed the appropriate PCI DSS Self-Assessment Questionnaire (SAQ) to validate compliance with PCI DSS requirements.

Regular Security Scans and Penetration Testing: We have a defined process to conduct regular security scans and penetration testing to identify and address vulnerabilities in our application.

Data Encryption: Utilized strong encryption (AES-256) for sensitive data, including cardholder data, both at rest and in transit.

Tokenization: Leveraged Stripe's tokenization feature to securely handle cardholder data without storing it on our servers.

Secure Coding Practices: Followed secure coding practices to minimize the risk of vulnerabilities in our application code.

Regular Security Audits: Conducted regular security audits to ensure ongoing compliance with PCI DSS requirements.

Employee Training: Provided training to employees on security best practices, especially regarding handling sensitive payment information.
